PLANNING COMMISSION MEETING SCHEDULE FOR 2026

Most meetings for the Planning Commission are on the fourth Tuesday of the month, and start at 6:30 p.m. The only exception is the third Tuesday in December to not conflict with Christmas. The asterisks* before the date means this is a solid meeting date. The ones without asterisks are “on-call” dates in case we have a Special Use application or Site Plan Review to handle. You will notified by the first of the month if one of those two instances are coming for that month.

Any two other planning commissioners can call everyone to a regular meeting or a Special Meeting for any reason. Special Meetings will be for one agenda item only.
