PUBLIC COMMENT/COMMUNICATION:

NEW BUSINESS:

1. Cemetery workload: Wellston will be handled 100% by Township custodian unless other arrangements are needed. Dublin and Chaulker will be handled by Lawn Service.
2. Cemetery sales and Grave locations. The Clerk expressed her opinion that this should not be her sole responsibility. The Supervisor will handle it for now. I have handled two grave locations, and assisted with two others finding out if their family members had sites. I have a meeting with another party to gift a site to her sister. This has taken about an hour of my time this month.
3. Work session dates for budget needed.
4. Update on possible Snyder Road project.
